Washington, D.C. 20423-0001  
Attn: Phillis Johnson-Ball

Deadline: November 15, 2003

(Please be as specific as possible)

What potential environmental issues and impacts are you concerned about?

I think the rail is needed.  
it would help this area with  
jobs. and take some of the trucks  
off the road. save our wild  
life from being killed.  
and it might help our commercial  
center with new business
